

Simply Rooter and Septic

SEPTIC & SEWER EXPERTS

PUMPING & HYDRO- JETTING

COMMERCIAL SEPTIC SPECIALISTS

Simply Rooter and Septic LLC is equipped to handle all your septic and sewer needs with a fleet of specialized trucks and equipment. From septic pumping to hydro-jetting and camera inspections, we provide reliable solutions for both residential and commercial properties. No job is too big or small—our team is ready to get the job done right!

ABOUT US

At *Simply Rooter and Septic*, we've built a solid reputation over 25 years by providing reliable septic services across Arizona. As a family-owned and operated business, we take pride in offering personalized, high-quality service with a focus on transparency, trust, and customer satisfaction.

**Proudly Servicing throughout
Metro Phoenix and
surrounding areas.**

THE RIGHT TRUCK FOR EVERY JOB!

SEPTIC PUMP TRUCKS

Our 1500-gallon pump truck comes with a hydro-jetter and crust buster for deep cleaning. The 2500-gallon pump truck handles larger loads, while the 4000-gallon pump truck is built for heavy-duty pumping with a crust buster included.

SPECIALTY EQUIPMENT

Our Super Duty truck is equipped with a gooseneck trailer, perfect for hauling equipment. The Isuzu truck carries a 3-ton excavator, ideal for excavation and septic system work. We have the right tools for any septic or sewer job.

COMMERCIAL PUMPING SOLUTIONS

For commercial properties, we offer a 500-gallon trailer designed for lift stations in underground garages and hard-to-reach areas. This compact setup ensures smooth grease interceptor and lift station maintenance.

HYDRO-JETTING & CAMERA INSPECTIONS

We provide hydro-jetting and camera inspection services for commercial and residential properties. Whether you need a deep pipe cleaning or a detailed sewer line assessment, we've got you covered!
